#### Policies

**Creature Comforts Pet Resort strives to provide the best care for all our guests. The following policies are to ensure our guests receive the best care possible in a healthy and safe environment.**

**ADMISSION:** All pets must be in good general health. We reserve the right to deny admittance to any pets lacking proof of vaccinations, and/or pets displaying signs of untreated or potentially contagious conditions, and/or aggressive behavior. Although we have skilled staff members, our boarding caretakers may not be able to handle geriatric pets needing significant medical care. Prior to participating in any social activity (e.g. Group Play), dogs must be temperament tested and approved. Approved dogs may have social privileges revoked if their behavior changes and they become aggressive or dominant. Females in heat may not participate in group play. Creature Comforts Pet Resort follows a rigorous program of flea and tick elimination. All pets arriving at Creature Comforts Pet Resort with fleas and/or ticks will be treated at the owner's expense. Creature Comforts Pet Resort reserves the right to charge daily handling fees for illness, excessively difficult or aggressive pets requiring additional staff and/or additional time in order that we may deliver proper care for your pet.

**VACCINATIONS: All dogs and cats must be current on all vaccinations.** DOGS -We require DHPP (Distemper/Parvo) vaccination, rabies, and a yearly Bordetella (or canine cough). CATS are required to be up to date on Rabies and FVRCP (Feline Distemper) and have a negative leukemia status. We will consider accepting an alternate vaccination protocol and/or tiers with review from one of our owners and our veterinarian. **All customers are strongly encouraged to fax or deliver current vaccination records several days prior to their check-in date.** Puppies will be accepted as long as we receive documentation of their first two sets of puppy vaccinations. Puppies/dogs that are not fully vaccinated for health/age restrictions will only be allowed to board in a separate area and extra fees will apply.

**MEDICATIONS:** All medication/supplements supplied by Owners must be clearly labeled in original containers with the pet's name, name of medication, dosage, and reason for medication. We will only accept the exact dosages required for administration during your pets stay. There is a fee for injectable (\$2 per injection), detailed times, eye, ear, liquid, (3+ pills) or large/multiple combos(\$4-8daily) also if your pet is difficult to administer/special medication (varies). Ask for details.

**BELONGINGS:** The Resort will make every effort to return items left with each pet, however, these items may not be returned if lost or may be returned in poor condition. The resort is not responsible for said items. No glass or ceramic.

**VISITING:** Visiting is allowed at the sole discretion of Creature Comforts. Please be advised that visiting with your pet while it is in our care, may cause anxiety and confusion. Owners and authorized people may visit during lobby hours only. We reserve the right to limit visiting time lengths and area used for visits. No pets are to leave the grounds.

**EMERGENCIES:** In case of an emergency we will attempt to contact you or your listed emergency contact. We will use your veterinarian, or the local 24-hour veterinary emergency hospital at our sole discretion. We may suggest you attach a signed note that details your wishes/limits in case we need to seek veterinary care, otherwise we will do everything possible to preserve the life of your pet. (i.e. bloat, bleeding, seizures) You will be responsible for all costs involved.

**ROOMS/RUNS:** Rooms may be reserved up to 1 year in advance. Deposits are required. Although we do our best to honor room requests we do not guarantee rooms/runs. Occasionally variables may require us to move your pet to a different room. Only pets from the same household can share rooms. We reserve the right to limit amount of pets staying together.

**CHECK-IN/CHECK-OUT/FEES:** Fees are set daily for each separate service offered. Daycare, boarding, grooming, and training are treated as separate services. Discounts are offered for combining services. A complete list of services and fees can be found on our website or call for details. Check-in/out can be scheduled anytime during our lobby hours.

Reservations are required. Our boarding rate is charged daily and check out is noon Mon-Sat, the daily rate will apply to all boarders staying past noon or on Sundays. We understand flights get delayed/weather restrictions happen. We do ask that you let us know 24 hours in advance if the reservation time (not date) for pick-up or drop-off time can not be kept, we will do our best to set up a new time that will work for both parties. The standard cancellation policy and fee rate applies.

Because we know how much you missed your companion while you were away, after hours early/late check-in/check-out outside our regular lobby hours may be set up in advance with an extra fee and is at the sole discretion of Creature Comforts. If your pets stay needs to be extended past the date that was previously booked we can not guarantee your pets original room will be available, but we will certainly make sure your pets have comfy accommodations for their extended stay.

**STAFFING/LOBBY HOURS:** Monday through Friday, 7:00 a.m. to 12pm and 1:30 to 7:00 p.m., Saturday 9:00 a.m. to 4:00 p.m., and Sunday 12-4 p.m. Staffing is 24 hours, but may contain gaps in schedules and therefore there may be periods of time when the facility is not staffed (i.e. lunch breaks).

**HOLIDAYS:** Holiday boarding periods are defined as the 7 days before and after each date listed. We will be closed to the public on the following holidays: Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas Day, and New Years Day. We will close the lobby at Noon on the following days: Christmas Eve and New Year's Eve. **Absolutely no check-ins or check-outs will be permitted on holidays. The facility will be fully staffed, but the lobby will not be available, as we will be focused on caring for our guests.**

**CANCELLATION POLICY:** We require a deposit at the time of booking. Deposits will be refunded via store credit only. We do not issue refunds. Credits can be used for any of our services or products and expire one year from date taken.

Reservations are required; this includes pick up and drop off times. This ensures we are able to give every guest time to go over their pets needs with our staff. We do ask that you let us know 24 hours in advance if the reservation time (not date) for pick-up or drop-off time can not be kept, we will do our best to set up a new time that will work for both parties.

Notification of a cancellation, change of room type or dates booked must be provided 7 days prior to hotel check-in date during holidays and 48 hours prior to check-in date during all other times. We recommend making all cancellations in writing via email. Reservations not cancelled by the aforementioned time will lose their deposit and can be held responsible for all dates reserved to the card on file with the resort. This means you are responsible for all dates booked after the cancellation period, If you are unsure of your exact time or you need a flexible pick up date or time please ask to speak with a manager to set up your stay.

### GROOMING RELEASE FORM

Thank you for choosing **Creature Comforts Pet Resort** for your pet's grooming needs. We pride ourselves on providing the best care available to your pet. Sometimes the grooming experience can unveil hidden pre-existing conditions. Creature Comforts Pet Resort will always bring anything that the groomer may notice to the owner's attention. Creature Comforts cannot diagnose a condition but may advise you as the owner to seek veterinary care for your pet.

- **Parasites:** If fleas are found on your pet, it is Creature Comforts Pet Resort's policy to give a flea bath at an additional minimum cost of \$20.00. This cost covers the special shampoo; time and extra clean up to insure no fleas are active in our resort. A Monthly flea treatment is recommended for long-term prevention. Ticks found will be removed for an additional charge. Please note that parasites are a health hazard to your pet as well as to humans
- **Aggressive or Dangerous Pets:** Owners MUST inform Creature Comforts if your pet(s) bite(s), has bitten, or is aggressive to people, other pets or specific grooming procedures. Muzzles may be used if necessary. Muzzling will not harm your pet, and protects both the pet and the groomer. Creature Comforts Pet Resort reserves the right to refuse/stop services for such pet(s) at any time before or during the grooming process, and charge an Aggressive Dog Fee in addition to the regular grooming charge.

- **Mat Removal:** Pets with matted coats need extra attention during their grooming session. Mats left in a coat only grow tighter, and can strangle the pet's skin, or eventually tear it open. Mats can be very difficult to remove, and may require the pet to be shaved. When necessary, removing a heavily matted coat includes risks of nicks, cuts or abrasions due to warts, moles or skin folds trapped in the mats. Heavy matting can also trap moisture and urine near the pet's skin allowing mold, fungus or bacteria to grow, causing skin irritations that existed prior to the grooming process. After effects of mat removal procedures can include itchiness, skin redness, self-inflicted irritations or abrasions and failure of the hair to re-grow. Shaved pets are also prone to sunburn. There is an extra charge for dematting.
- **Health or Medical Problems & Senior Pets:** If your pet has any medical conditions, Creature Comforts asks to be made aware of them (some examples are: arthritis, seizures, skin problems, masses etc.) so that the groomer can take steps to look out for certain conditions and use proper techniques and products for your pets special needs. Grooming procedures can sometimes be stressful, especially for a senior pet or a pet with health problems, and can expose hidden medical problems or aggravate a current one during or after the groom. Because senior pets and pets with health problems have a greater chance of injury, these pets will be groomed for cleanliness and comfort, in styles that will not add to their stress. Some pets have behavioral problems that we may or may not be able to work through. If we are unable to continue the grooming process due to behavioral problems there will be a minimum charge of \$15 for our time and effort.

**Current Vaccinations/Veterinarian Information:** By signing this contract, owners verify their pets are current on Rabies, Bordetella, Distemper and Parvo, for canines, and Rabies for felines. Proof of Vaccination or current Titer testing shall be provided upon check-in as well as current Veterinarian information. Special circumstances will be taken into consideration. Every effort will be made to insure your pet is groomed as safely as possible and to your satisfaction. There is always the possibility an accident could occur. Grooming equipment is sharp, even though we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, rashes, scratches, quicking of nails, etc. In most cases this can happen when a pet is wiggling or moving around. By signing this contract you (or your Agent) agree to hold Creature Comforts Pet Resort, it's owners, groomers, and employees harmless from any damage, loss, or claim arising from any condition of the undersigned pets, either known or unknown to Creature Comforts Pet Resort. It is also further understood and agreed the terms of this agreement can change at any time, without notice, and will overwrite any and all prior signed contracts or releases. It is further understood this clause applies to any and all pets groomed under this owner. I agree to pay any and all charges for procedures/services rendered at time of service. Should my pet need veterinarian care during or after the process/service, I agree to pay any and all veterinarian fees for my pet's care.

**Late Pick-Ups:** If your dog is not picked up by closing for the day, an additional \$50.00 per day kennel charge may also apply.

**Grooming/Daycare No-shows & Cancellations:** No-shows and last minute cancellations (less than 24 hours) are subject to a \$20.00 FEE PER PET, which will be charged to your card on file. Pre-Payment will be required before another appointment is booked. We understand there may be emergency situations and will work with you, but not on a continued basis.

Note: Clients 30 minutes late risk losing their appointment without notice.

**GROOMING RATES AND SERVICES:** All rates and services are subject to availability and change.

***I certify that I have read and understand the Pet Services Agreement and policies of Creature Comforts Pet Resort set forth in this agreement and I agree to abide by these policies and accept all the terms of this agreement. This contract shall remain in effect for all subsequent transactions between Owner, their Pets and Resort.***

## Packing The Overnight Bag.....

Here's a checklist of paperwork, items and instructions to streamline your check-in. We realize this may seem like a lot of paperwork, and we require it for good reason – to ensure our ability to take care of your pet(s) to the highest standards of care. We appreciate your cooperation in providing the required information:

### DOGS/CATS:

#### Pack the Overnight Bag and Paperwork Checklist:

- **New Client Packet** [\\*Application \(link\) - One time only - the 1st time you board your pet.](#)
- **Returning Client Form** [\\*Individual Pet Sheet \(link\) -](#)  
We ask for this to be updated each time your pet visits. It contains specific information that may have changed from a previous visit. We appreciate your cooperation in giving us this information for each visit.
- **\*Proof of Rabies, Distemper, and Bordatella vaccinations OR Titters** - All pets are required to be up to date every time you board your pet - Please provide updated vaccine certificate when date expires. If you plan to have your dog vaccinated for Bordatella or Canine Cough, we suggest doing it 14 days in advance of your boarding date.
- **Grooming instructions-** If you plan to have us bathe and/or groom your pet, fill out the instructions to the groomer on the "Individual Pet Sheet".
- **Medication, Treatment and Supplements** - updated each time you board. This important information must be updated with each visit. We want to make absolutely certain we have the most current information on any medications or supplements you are giving your dog. **Please leave pills in original prescription bottles please.**
- We have food dishes and sanitize them twice daily, but if you would like to bring your pet's dish please **no ceramic or glass.**
- **Food** - Please label food container or bag with pet's name and specific instructions. **One bag per meal is highly recommended.** Please do NOT put medications or supplements in the pre-packaged food. If no food is provided our kennel mixture is used. \$3 fee daily
- **Board and Training application (link)** - if you would like us to train your dog, fill out first time you request training.
- **Other things to bring (Optional)** - Please list specific items and descriptions on "Individual Pet Sheet". We have the staff, time and space here to take care of all your dog's belongings, their favorite bed (some bring along their own armchairs!) and every single toy they own if you want to bring them. We encourage comfort items from home. A T-Shirt that smells like you is great for first timers!  
**Toys/Bedding** - List specifics - description, color, etc.  
**WRITE YOUR PETS NAME ON EVERYTHING!** Note: Toys, stuffing, bedding, pigs' ears, rawhide chews or hooves risk danger of choking or intestinal blockage.
- **Monthly Flea/Tick Treatment, and Heartworm prevention** are recommended. If parasites are found on your pet, they will be treated at your expense.
- **Note:** If your dog is elderly, please ask out our recommendations for older dogs.

### CAT Specific Requirements:

- **Written proof of current Rabies, Feline distemper vaccination.** Updated as needed.
- **Grooming instructions** - If you plan to have us groom your cat - on "Pet" form.
- We have clumping cat litter for our feline guests, but you can provide other types if necessary
